

## Joint fieldtrip to the Greensand Ridge

---

Hertfordshire Geological Society and Bedfordshire Geology Group

Date Saturday 23rd 2022

Leader Bev Fowlston

Organiser Nick Pierpoint (07831 819935)

---

- Meet at Clophill Ecolodges at 10:00 for 10:30 depart
- Clophill Eco Lodges, Old Church Path, Clophill, Bedford, MK45 4BP
- 2 1/2 hour walk over well defined paths/tracks and country lanes. Follow Clophill Geotrail there is also potential to access a local quarry to examine the Woburn Sands.
- Drive to pub at Husborne Crawley - White Horse (lunch in pub or picnic at church?). VERY limited parking at Church so cars remain at the pub. White Horse - 1 Mill Rd, Husborne Crawley, Bedford MK43 0XF.
- Visit St James' Church which is constructed of a glauconite rich sand which gives it such a distinctive character. Bev to confirm if access to the Church is possible.
- Finish mid afternoon 15:30
